

POPLAR SOUTHERN / CORRIDOR STUDY

DISCUSSION ITEMS

WWW.POPLARSOUTHERNCORRIDORSTUDY.COM

Neighborhood Meeting Sub-Area 4

**Memphis Urban Area Metropolitan Planning Organization
Poplar Southern / Corridor Study
July 14, 2009 5:30 PM – 7:00 PM
Collierville Town Hall
500 Poplar View Parkway
Collierville, TN 38017**

Purpose:

The overall purpose of the Poplar Southern / Corridor Study is to enhance mobility and address safety concerns along the Norfolk-Southern Railroad by identifying and analyzing the major north/south roads within the study limits and then determining the best locations for potential improvements. The study will also analyze the possible impact improvements may have on the surrounding communities. **The purpose of this study is not to modify the train schedules, determine quiet zones, discuss private crossing closures, identify the day-to-day maintenance of railroad property, or address the location of a new intermodal facility.**
